8. Paperless Enrollments
9. New Measures
10. Retired Measures
11. CARE: Strategies
12. CARE: High Users
13. Marketing Using Ethnic Media
14. Other

NOTES:

Southern California Gas Company can not validate parking. There are affordable options nearby - Pershing Square (entrances off 5th, Olive, and 6th), there is a surface lot on Olive and 5th across from our building, and if you have a Los Angeles Public Library card, parking under the library is quite affordable (entrance on Flower, just south of 5th).

Also if mass transit is an option, The Tower is very close to the red line stop at Pershing Square, and the blue line at 7th and Flower is a reasonable walk.
