Hi Jason (and Brian),

Sorry for the delay. I am always swamped. I would be happy to talk by phone. I could do Friday afternoon sometime between 2:30 and 4, or Monday after 3:30, if either of those would work. Otherwise, I could suggest some other times later next week.

Regards,

Julie

Thanks, Brian.

Julie,

It's a pleasure to meet you. I'd love the chance to speak with you about a couple energy efficiency technologies and understand the regulatory support opportunities available from the PUC. If you're interested and available, please let me know a few windows of times that work for you in the next few weeks.

I'll look forward to it!

Regards,

Jason

Julie - Would you mind taking a phone call from Jason Matlof on my behalf ? Jason works in the clean tech area and is interested in understanding the regulatory process for funding DR and EE systems. He is working on some new innovative technologies and I thought you might want to hear about some of the new opportunities in the field.
Thx
