First Set of Discovery Requests
to SDG&E

- Q 1. Please provide an electronic copy of any workpapers produced by SDG&E that support its testimony.
- Q 2. For the period February 1, 2011 through July 19, 2011, please provide an electronic copy of the monthly convergence bidding reports that SDG&E has provided to the Energy Division. (See D.10-12-034, pp. 40-42)

Note: I consider the above question (Q7) to be in scope because the Commission has identified procurement oversight rules as an issue in this proceeding. (See Administrative Law Judge's Ruling Denying Motion for Reconsideration and Motion Regarding Track I Schedule and Addressing Rules Track III Issues, June 10, 2011, p. 6)
