This e-mail is to confirm my conversation with you of a few minutes ago, in which you agreed to give PG&E an extension until noon on August 1 to respond to the July 15, 2011, CPSD data request that was sent to Brian Cherry.

Thank you for your consideration in this matter. Please let me know right away if I have misunderstood you, and this is not acceptable to CPSD. As I mentioned on the phone, we will provide the responses to you by July 28 if they are available at that time.
