I talked with Terrie tonight, so she knows that we'd like to have her talk with PG&E folks so we all have the info we need to be proactive/respond quickly if this situation comes to pass. You, or her counter part, should feel free to contact her tomorrow morning.  
thanks.

Lucky you.

We can hold off connecting with Terrie until you have had a chance to give her a preview. I am focused, but not rushed on this (unless the weather changes).  
Thanks for getting back to me so promptly.

Trina- I'll be the one stop shop for curtailment related issues. Please work with Terrie Prosper on having a meeting on the press strategy. I tried to get to her today to let her know but couldn't talk to her. Hopefully will do so before you/her counter part reach her so she isn't getting it cold.

Thanks.
