Subject: Re: PG&E Smart Grid Deployment Plan Briefing

I'm out of the office all that week- the first week of August would work for me.

Karen, Lisa-Marie, Chris, and Adam,

I wanted to check on a date and time to schedule PG&E's Smart Grid Deployment Plan briefing with DRA and Energy Division. Would July 29 from 3-5pm work for everyone? Alternatively, we could try to schedule something on August 1 in the morning (before noon). How long were you anticipating this briefing to last?

Please let me know your availability and we'll set the briefing up.

Thanks,  
David
