Karin, et al.

Let's schedule 10am-noon on August 1 since Chris V. will be out on July 29. Can you reserve space at the CPUC for us?

PG&E will prepare to give a overview of its plan. If you have specific areas of interest, please let us know by July 22.

Thanks,
David

Hi David,

Either of those dates would work for us.

Thanks,

Karin

Karen, Lisa-Marie, Chris, and Adam,

I wanted to check on a date and time to schedule PG&E's Smart Grid Deployment Plan briefing with DRA and Energy Division. Would July 29 from 3-5pm work for everyone? Alternatively, we could try to schedule something on August 1 in the morning (before noon). How long were you anticipating this briefing to last?

Please let me know your availability and we'll set the briefing up.

Thanks,
