Thx Matthew, please pass along to Mike my apologies for not being available for the all-party -- my family and I are on vacation next week. However, we will have a good PG&E team in attendance for the all-party.

Best, Chris

Dear Ernesto:

PG&E will participate in the all-party meeting in R.08-12-009 referenced below. As a preliminary matter, our attendees will include Jana Corey, Sidney Dietz [Redacted] and Saul Zambrano, and we would like an opportunity to make a brief statement. Please note that we may revise the attendance list based on a more specific agenda or list of topics that you can provide to us. In that regard, could you please provide us and the other parties a list of the specific questions, issues and/or topics on which the Commissioner is interested in hearing from parties?

Thank you very much, and please also include Sidney Dietz and [Redacted] from our Reg Rels department on any further information or suggestions for the all-party meeting.
