Rulemaking 09-11-014  
(Filed November 20, 2009)

**NOTICE OF EX PARTE COMMUNICATION  
OF PACIFIC GAS AND ELECTRIC COMPANY**

Pursuant to Rule 8.4(a) of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) hereby gives notice of the following ex parte communication. The communication occurred on Wednesday, July 20, 2011 at approximately 9:00 a.m. at the offices of the California Public Utilities Commission. The communication was oral and included a handout, which is attached to this notice.

[(Rule 8.4(a)(c))]

Sidney Dietz, Director, Regulatory Relations, PG&E, initiated the communication with Colette Kersten, Advisor to Commissioner Catherine Sandoval. Also present was Janice Berman, Sr. Director-CES Policy & Integrated Planning, PG&E. [Rule 8.4(b)]

Mr. Dietz stated that the CPUC has the authority to allow the use of unspent funds so that Energy Efficiency (EE) programs can continue as adopted in D.09-09-047. Mr. Dietz further stated that the use of these unused and uncommitted funds is a simple and elegant solution to the problem of the gas raid, and that it works for all three utilities. Mr. Dietz stated that the ruling contemplates a solution that is complicated

and insufficient to continue EE programs at their current pace. Mr. Dietz further stated that the gas raid should not be seen as an opportunity to change the portfolio because any resolution needs to be quick and there are other for a that are more appropriate for such changes. [Rule 8.4(c)]
