Yes. Definitely. I know they are busy logging and evaluating all the offers right now. I will check with the RFO team on when they will be ready and send some proposed dates.

Also, would like to schedule time to brief you on an amendment that we will be filing to the Abengoa solar thermal PPA and provide you with an update on biomass. Would Monday or Wednesday of next week work?

Thanks!

I would be very interested in seeing the results as soon as they are ready for external consumption. Would that be possible? Thanks very much!
