Dear Mr. Foster:

Re: Filing Date for Utilities' Next Nuclear Decommissioning Cost Triennial Proceeding Applications

I received your letter dated May 25, 2011 on behalf of Southern California Edison (SCE), San Diego Gas and Electric Company (SDG&E) and Pacific Gas and Electric Company (PG&E) requesting an extension for filing the next Nuclear Decommissioning Cost Triennial Proceeding (NDCTP) applications from late Spring 2012 to December 14, 2012.

According to your request, this extension is necessary to incorporate the results and recommendations from the Independent Panel, which reviewed the decommissioning cost estimates in the 2009 NDCTP, into the next NDCTP and future decommissioning cost studies.

Your request to extend the filing date of the next NDCTP applications to December 14, 2012 is granted.

Sincerely,

A handwritten signature in black ink that reads "Paul Clanon".
