Subject: Meeting Notes - PG&E's 2014 RO Model (7/7/2011)

Mark, Clayton, Dao, Greg, Tamera,

Thank you for taking the time to meet with us last week to discuss PG&E's 2014 RO model.

We have attempted to summarize the discussion in our attached meeting notes, which we propose to use to guide our next discussion (particularly the "next steps"). If you feel we have mischaracterized anything or left any key action items out, please let Shelly (973-2636) or me [Redacted] know.

Both teams indicated that it would be good to have a follow up face to face meeting late this month or early August. Please let me know when is a good time for your team and we can set it up.

Thanks again,
