Subject: Re: ED / IOU EE Coordination Call - Confirmed? If so, 2 agenda items

Hi Simon,

The proposed agenda looks good. I would like to add an item related to number 2 below. Given that we are working cooperatively with ED to improve the workpaper collaboration process, we would like to discuss whether it makes sense for ED and the IOUs to collaborate and/or communicate before the next release of DEER (pre-2014 cycle).

Subject: ED / IOU EE Coordination Call - Confirmed? If so, 2 agenda items

Hi Everyone,

Just confirming for today's call. Jeanne, Pete, and Carmen are away on vacation. That leaves Bruce and I for the ED team.

I don't have many items for the agenda, only the following. If there are no other agenda items, perhaps we could cancel.

1. IOUs report back on procedure / timing of PPM refiling / errata / supplemental (?), per 6/28 PPM review meeting

2. ED clarifies intent to use 06-08 evaluation results in the EE potential / goals study, and collaborative process in compliance with D.10-04-029

Best,
Simon Eilif Baker
Supervisor, Energy Efficiency Planning
Climate Strategies Branch
California Public Utilities Commission - Energy Division
