Subject: Re: ED / IOU EE Coordination Call - Confirmed? If so, 2 agenda items

I'm interested in item 2 as well and would like to participate in the meeting. I can't make this one however.

So I vote for rescheduling.

**Subject:** RE: ED / IOU EE Coordination Call - Confirmed? If so, 2 agenda items

I'm okay cancelling and picking up again next month since for your 2 agenda items:

- (1) For PPM updating, I think we're all working on them per our IOU/ED meeting last week and if we need further clarifications we can set up a specific call to address them.
- (2) I'm interested in your item 2, particularly on the clarification for using 2006-2008 EM&V results for updating the potential study. But perhaps that is something that can be covered in other meetings like next week's EM&V monthly meeting?

Regards,

Athena

**Subject:** ED / IOU EE Coordination Call - Confirmed? If so, 2 agenda items

Hi Everyone,

Just confirming for today's call. Jeanne, Pete, and Carmen are away on vacation. That leaves Bruce and I for the ED team.

I don't have many items for the agenda, only the following. If there are no other agenda items, perhaps we could cancel.

1. IOUs report back on procedure / timing of PPM refiling / errata / supplemental (?), per 6/28 PPM review meeting

2. ED clarifies intent to use 06-08 evaluation results in the EE potential / goals study, and collaborative process in compliance with D.10-04-029
