Subject: RE: PG&E Hydrostatic Test Documentation: T96A, T96B

Team,

Please find attached the pressure recording chart and RCP certification for T-96B in Antioch. I understand the original email was rejected due to size. Please note that the T96A final report, which includes the STPR, Pressure recording chart, RCP certification, and Bureau Veritas certification, was submitted on July 15th.

Thanks,

Angie
