Subject: Energy Division contact on 33% RPS

Hello,

I wanted to let you all know that I have been assigned as lead staff for the Commission's 33% RPS implementation (R.11-05-005). Going forward, any questions you have for Energy Division concerning the 33% implementation work should be directed to me. I look forward to continuing the collaborative working relationship you have experienced with Sara Kamins and furthering the progress we have made together thus far towards the state's RPS goals.

Regards,

Sean
