Subject: RE: PROPOSED AGENDA

Hi Meredith,
Commissioner Florio is interested to do the tour. He has already been in Pacific Energy Center, so instead he prefers to have a session learning about PG&E's billing system. July is a crazy month, I was thinking of something the third week of August or early September after labor day weekend. What do you think?
Thanks

Subject: Proposed Agenda

Hi Sepideh,
As we discussed, attached is a proposed agenda. We can definitely add, delete or change depending on the areas that Commissioner Florio is interested in. For example, Matthew mentioned to Erik yesterday that Commissioner Florio is interested in discussing our interactions with the investment community and capital needs, which could be addressed in the discussion with Kent Harvey. If there are other items that Commissioner Florio would like to discuss we can make sure to include in the agenda.

I will be out of the office through Wednesday of next week but can be reached on my cell Redacted Redac]if you have questions or would like to discuss. Once we have your and Commissioner Florio's feedback on the agenda, we can work on scheduling.

Thanks,
Meredith
