Subject: RE: Follow-up

Hi Tom,

Thank you for sending this. I have a few questions on the attached:

[Redacted]

2. If the facilities are not currently being paid on the IEP fixed-price settlement (i.e. if Column H lists "No"), [Redacted]

[Redacted]

3. Can you please send the MWh operating capacity of these facilities (average of production over past three years or another estimate along those lines would be acceptable)?

Please reply with this information by the end of the day. I understand that this is limited time but I am presuming that you have most of this information on hand. If you cannot meet this deadline, please give me a call to discuss.

Best,

Jen

Jennifer:

Please find attached our response to the information you requested earlier today from [Redacted] which contains commercially sensitive information that should be treated as confidential under D.06-06-066 and Section 583 of the Public Utilities Code. In addition, the information contained in the attached excel spreadsheet is proprietary customer information provided to PG&E in confidence and would be against the public interest if inadvertently or intentionally disclosed.

Please let me know if you have any questions. Thanks!

Thanks again, [Redacted] for all your help on the biomass issue. If you can get me information this afternoon yet, that would be most helpful.

Best,

Jen
