Subject: RE: Update of PG&E's Gas Emergency Plan

Dennis,

We would like to come in and brief someone at CPSD about updates and improvements to PG&E's gas emergency plan.

We are getting ready to do a roll-out internally soon. We'd like to get feedback from CPSD and make sure that CPSD is comfortable with our direction before we get much further in the process.

I spoke to Michelle Cooke, and she suggested I contact you to help us find the right person in CPSD to meet with on this. Or if you are the right person, that would also be great.

I know you are out this week, but any help you could offer in getting a meeting in the next ten days or so, I would really appreciate.

If it would be helpful, I'm happy to forward a copy of the emergency plan. Just let me know.

Thank you and best regards,

Jennifer Dowdell
