Subject: Greetings

Sunil,

I wanted to introduce myself via email since we have not received a chance to meet in person yet. My name is Shilpa Ramaiya and I recently started working for PG&E's Trina Horner on gas-related regulatory issues. I've worked on regulatory cases for a number of years now, most recently on those for demand-side management programs.

As Trina does, I may be participating in discussions with folks from CPSD and PG&E, and will be helping respond to CPSD's requests. One of those discussions will come shortly after I send this email regarding testing protocol.

My contact information is below for your reference. I look forward to working with you.

Thanks,
Shilpa Ramaiya
