Sunil,

Ben mentioned that you and he previously discussed the Mechanical Testing protocol. Based on your feedback, we've since updated this document and wanted to finalize it with you. The last version is attached to this email for your review.

Are you available for a thirty minute call sometime Friday after 3 PM, or Monday 10:30-11:30 AM or 3-4:30 PM? We'll use this call to review the protocol and answer questions.

Let me know which time works for you.

Thanks in advance for your time.

Shilpa
