Subject: RE: Bruce Foster's Retirement Party

Brian and Bernadette -

I would prefer to pay for the event outright, rather than receive a gift letter. Unfortunately, I didn't bring my checkbook to the office today, so would it be okay for me to give it to Brian tomorrow, or drop it in the mail to you tomorrow?

I really appreciate your efforts to organize this event, and look forward to a great time tonight.

Best wishes,

Frank

Subject: Bruce Foster's Retirement Party

Hello everyone -

I have received a variety of requests on the cost and payment options for state or governmental employees planning on attending the Bruce Foster retirement event at the St. Francis Yacht Club on August 17. We now have a better idea as to the cost per person. Because the cost of the event must include the rental of the room, food and accessories, we expect the total cost to be approximately \$116.00 per person (w/o refreshments) and about \$150.00 (with refreshments). Under the rules, we are prepared to be reimbursed directly by the state or local government participant or if you choose, we are prepared to send a gift letter to your respective organizations that will cover the cost. If you choose to reimburse for the event directly, you can write your check to PG&E and we will divide the proceeds among the other utilities. If you choose to receive a gift letter, you will receive three letters for \$38, \$39, and \$39 from SDG&E, Edison and PG&E (since the three utilities are hosting the event jointly). My apologies

for having to be so bureaucratic about this, but we don't want to violate any FPPC rules or place anyone in jeopardy of violating the FPPC rules.

If you can let Bernadette Joaquin know your preference, you can be billed directly or sent a gift letter. Bernadette can be reached at [Redacted] or at email: [Redacted].

Thank you for your understanding.

Brian
