Subject: RE: R.10-05-006 -ISO Transmission Planning Process and Waiver of Cross

To ALJ Allen and parties of record:

Yesterday during questioning by ALJ Allen, Mark Rothleder was asked to provide information about the ISO's annual transmission planning process. This information is posted on the ISO's website. Currently the 2011/2012 planning cycle is underway and materials related to that cycle, including the study plan and planning assumptions, can be found at:

<http://www.caiso.com/planning/Pages/TransmissionPlanning/2011-2012TransmissionPlanningProcess.aspx>

For additional details about the transmission planning process and other planning cycles, please refer to:

<http://www.caiso.com/planning/Pages/TransmissionPlanning/Default.aspx>

Additionally, please be advised that the ISO has decided to waive cross examination of Calpine witness Barmack.

Thanks,

Judi
