Subject: R.11-05-005 (RPS) GPI Comments on Targets and Compliance 8-30-11

Dear Colleagues,

Yesterday I submitted a Comment document to the R.11-05-005 Docket. Unfortunately, Instead of submitting the correct version of the document, I submitted an early, incomplete, marked-up draft. Please delete the version I sent yesterday, and use the one attached to this email. I am working with the docket office to make sure that the correct document is the one they accept for filing. I apologize for any inconvenience this has caused.

Attached please find the following document: **Comments of the Green Power Institute on the ALJ's Ruling Requesting Comments on Targets and Compliance**. The Notice is being filed today at the Commission's docket office in R.11-05-005, and served to the service list for R.11-05-005, by email where possible, and paper mail otherwise. Please write or call if you have any difficulties with this transmission.

Thank You,
Gregg Morris, Dir.
