MOTION FOR PARTY STATUS OF EVOLUTION MARKETS INC.

I. INTRODUCTION

As authorized under Rule 1.4 of the Rules of Practice and Procedure of the California Public Utilities Commission (CPUC), Evolution Markets Inc. (Evolution Markets) submits this motion for party status in proceedings related to the implementation and administration of the California Renewable Portfolio Standard Program. Evolution Markets will respectfully comment on the Proposed Decision relating to the creation of the Program and as such seeks to be a party to the proceeding in accordance with the Rules of Practice and Procedure.

II. DESCRIPTION OF PARTY AND INTEREST IN THE PROCEEDING.

Evolution Markets provides strategic financial and transactional services to participants in global environmental markets and the clean energy sector. Evolution Markets Renewable Energy Markets group provides comprehensive advisory and brokerage services to the renewable energy sector in California and across the United States. The company is a broker of renewable energy credits (RECs) under state renewable portfolio standards (RPS) in California, NEPOOL, PJM, New York, and Texas. Evolution Markets also facilitates transactions in the nationwide voluntary REC market. In addition, Evolution Markets assists renewable energy developers structure medium- and long-term sales of Green Power.

From offices in San Francisco, Evolution Markets assists clients in meeting their California RPS obligations through the procurement of green power and/or the purchase of RECs. Evolution Markets also assists renewable energy developers in marketing their power and renewable attributes to compliance entities within California. Consequently, we are a stakeholder

in this proceeding. Accordingly, we request the Commission grant Evolution Markets party status in matters pertaining to Rulemaking 11-05-005.
