## NOTICE OF EX PARTE COMMUNICATION

Pursuant to Rule 8.3 of the Commission's Rules of Practice and Procedure, The Utility Reform Network (TURN) hereby gives notice of the following *ex parte* communication. On August 10, 2011, TURN attorney Matthew Freedman spoke with Matthew Tisdale, advisor to Commissioner Mike Florio. The meeting was initiated by Mr. Tisdale, occurred via telephone, commenced at 6:10pm, and lasted approximately 15 minutes.

Mr. Freedman encouraged Commissioner Florio to support the Track 1 settlement filed by TURN and a coalition of parties in R.10-05-006 on August 3rd. Mr. Freedman explained that the settlement fairly balances the interests of all the parties, provides a process for future consideration of resource needs, and properly incorporates a finding that no new resources are needed at this time for renewable integration purposes. No written materials were provided by TURN.

To obtain a copy of this notice, please contact Larry Wong (415) 929-8876.

Respectfully submitted,
