Subject: Gas System/Grid Reliability Coordination: ISO/PG&E/CPUC

Location: Conference Call: Redacted

Start: 8/19/2011 9:00:00 AM

End: 8/19/2011 10:00:00 AM

Based on the discussions I've had with Karen and Michelle, I think this time works for a three-way discussion of the efforts PG&E and the ISO are undertaking to pre-identify and resolve our coordination steps to preserve gas system and grid reliability. Please confirm that this specific time works. Thanks.
