OK, traded some tickets and now I've got 4 for August 31. So we should be set.

Mike's out, Tom, Aaron, Robert are in. Trina, are you 4? Anyone want to volunteer to take lead on tix? I can look on stubhub if folks are keen, unless Robert has his.

Aug. 31 looks good for me (can't do 8/3 or 8/10 either). Thanks for picking up the ball on this, Aaron.

OK, I'm reviving this thread. What about the 31st? I can't do either of the other two days. I need to get another day game in this year. What say you?

Wednesdays remain elusive. My workload is about to either explode, or be a little more

manageable (although the politics in either instance will be nasty). I think you all should plan on moving forward without me. I may know more by the end of this month regarding how August might work out.

Sorry to hear you're work has been sucky, Trina. I hope June turns around for ya.

So I'm having a bad day, still at work, and stumbled in my emails on my list of future summer baseball games. I thought I'd make myself feel better by seeing if there is another game in our future. June is awful for me, and July there is only the one day game the week of the 4th that is bad (for me, at least), which brings us to August 3, 10 or 31. All Wednesdays. Mike, can you swing it?
