Subject: DRAFT CFEE Energy Conference Agenda - please review and provide comments

CFEE Energy Steering Committee –

Based on the discussion at our steering committee meeting last June, and input from several people who attended the Governor's renewables conference in LA, we've developed a draft agenda for the CFEE Conference scheduled for December 8-9 at Cavallo Point.

Please review the attached and provide comments by COB Monday, August 22<sup>nd</sup> as we would like to include this in a mail out to invitees. As you all know, we'll continue to refine and revise the agenda as we get closer to the conference date so don't hesitate to contact me anytime with ideas. You'll also note several placeholders for speakers – please give us your suggestions.

Thanks for your help,

Beth
