Colette --

We found the place Fat Cats Cafe. It's further down Avila Beach Drive at the end. The desk person can pt the way, or we could caravan. See you in the am!

I hope you heard our news, and hopefully got John's message. What do you say to meeting for breakfast at 700a? The hotel suggested a place that will be open.

Sorry to have missed you!

Sounds like a good plan. We'll see you there at 730p. I'm glad ya'll picked that one -- I prefer less fancy restaurants.

Have a safe drive!

Hi Sid,

Let's plan to meet at the Firestone Grill at 7:30 p.m. (to be on the side side).

Looking forward!

Colette --

I got a recommendation today from somebody who lived in SLO and visited recently. Guiseppe's, which is an Italian place, and the Firestone Grill, which is a BBQ place popular with locals and less expensive. Looking forward to seeing you tomorrow.

Hi Sid, we are happy to join you and John for dinner. Shall we give you a call when we arrive? I believe you have my cell. We will be staying at the Avila La Fonda Hotel at 101 San Miguel Street.

Looking forward to our tour!

Colette --

Here is the latest agenda for Friday's tour of DCP. The only thing that I think is different from the last version is that there is no rifle range, but now there is a boat tour. I've never been on the boat tour, but it would give us a chance to talk about the marine effects of the power plant. But not everyone likes boats, so let me know if that works for you and the commissioner.

Let me know if you have any questions.

Also, my cell -- 415-209-3654.
