Hazlyn and Scarlett,

PG&E would like to talk to you about the recent RA PD on DR that was issued on August 9th. Our questions/concerns relate primarily to how DR integrates with the CAISO market - so we'd also like to cover that as a broader part of the conversation as it also relates to the DR 2012-14 application.

Would Tuesday August 23 from 2 to 3 work at your offices ?

Let me know
