Hi Sid - two things - first, I'll plan on attending with Commr Ferron, funding permitting. Also, Commr Ferron suggested that Sen Blakeslee join us on the tour if he's in town that week, but wanted to run this by you and see how you feel about that.

Michael --

Here is the draft agenda for the tour with the Commissioner. I like the way it's shaping up -- a lot of face time with plant management. Let me know if you have any questions.
