Hi, Meredith,

This is great. Thanks, much. For some reason I had thought we talked about you coordinating with the other utilities on this information as well. Have you reached out to them? If not, I can do so.

Thanks again,

Andy

Andy,

Attached are PG&E's annual deliveries for executed contracts from 2013-2020. I apologize for the delay in sending.

Either a balancing authority or state restriction would be a problem for these agreements given that the firming and shaping deals for the first four state the power is unspecified and Greengate given the location.

Please let me know if you need more information.

Thanks,
Meredith
