Meredith,

When Abengoa advice letter was filed I followed up with you about concerns I had about the quality of the IE report. During this discussion, we agreed that a revised IE report should be submitted via supplemental advice letter. Today I received an email from the IE (Wayne Oliver; Merrimack) stating that he wants to revise his IE report, but that PG&E was not receptive to filing a supplemental advice letter. I understand that the IE spoke with Redacted at PG&E. Can you or David please figure out what is going on and get back to me as soon as possible – time is ticking on this one.

Regards,

Sean
