WPTF, DACC and MEA would be fine with the 19th, 21st or 26th. As with Mr. Freedman of
TURN, the 20th also is not good for us.

TURN does not object to rescheduling the PHC but would oppose moving the date to Tuesday, September 20th due to a conflict with a CEC workshop in Sacramento. Alternatively, the Commission could reschedule the PHC for the week of September 26th.

Unfortunately, as PG&E's counsel in the proceeding, I have a previously scheduled personal matter on Thursday, Sept 22 and Friday Sept 23 that I am unable to reschedule and so will be unable to attend the PHC unless it is rescheduled. I also understand the difficulty that the Commission and you may have to reschedule the PHC, but by this email would like to ask if the PHC could be rescheduled to a time earlier that week, e.g. on Monday, Sept. 19, Tues, Sept 20, or Wed, Sept 21 if possible and if the interested parties do not object.
