ALJ Mattson, the Clean Coalition would like to request a one-week extension of time to file reply comments in this proceeding and also a one-week extension of the tentatively scheduled workshops on August 31-Sept. 1.

The utilities' substantial tariff and PPA filings are the main spur for our request. There are numerous issues raised by these documents and we would like to have sufficient time to draft our comments on these filings (and previously filed opening comments) and discuss with other intervenors, which would be difficult to do given the current deadline of Aug. 19.

With respect to the workshops, we feel that most parties would appreciate holding the workshops after the Labor Day weekend so we request that they be re-scheduled for the following week.

While we are anxious for expedited implementation of SB 32, we feel that a one-week extension in this manner will benefit the overall implementation effort.

Sincerely,

Tam Hunt, Policy Advisor and Attorney
