Dear Ms. Cooke, Ms. Halligan and Mr. Shori,

Attached is a courtesy copy of PG&E's 2010 Annual Gas Transmission Report (PHMSA Form F7100.2-1) that was submitted to PHMSA today. An overview of the report is located in the cover letter addressed to PHMSA.

In addition, PG&E is also providing a supplement to the Accelerated Leak Survey Report submitted February 1, 2011. The supplement clarifies the methodology our consultant used in developing leak comparisons in that report.

If you have any questions about PG&E's reports, do not hesitate to call me.

Sincerely,

/S/

Jane Yura
