V. PROCEDURAL MATTERS

A. REQUESTED RELIEF

SDG&E respectfully requests that the Commission review and approve the Proposed Agreement through the issuance of a resolution no later than November 10, 2011. While meeting this deadline will require the Commission to act upon this request in an expedited manner, the public interest supports such expedited action where approval by the requested date will allow the developer to meet its Guaranteed COD of December 20, 2013 and allow deliveries to occur as early as Q1, 2013.

As detailed in this Advice Letter, SDG&E's entry into the Proposed Agreement and the terms of such agreement are reasonable; therefore, all costs associated with the Proposed Agreement, including energy, green attributes, and resource adequacy should be fully recoverable in rates.
