8. The data for which PacifiCorp is claiming confidentiality is not already public.
9. The confidentiality of the data for which PacifiCorp is claiming confidentiality would not be compromised if it were first aggregated with the equivalent data of all other load serving entities before being made public. Other than by the aforesaid process, the data cannot be aggregated, redacted, summarized, masked or otherwise protected in a way that allows partial disclosure.
10. PacifiCorp's customers may be harmed by the loss of confidentiality insofar as members

of the public not eligible to review the data as non-market participating parties—primarily other market participants—can use this data to derive detailed estimates of PacifiCorp-specific procurement requirements and PacifiCorp's current compliance position.

Declared under penalty of perjury that the aforesaid is true of my own knowledge, except as to matters that are stated on information or belief and as to those matters I believe them to be true.
