Dear Mr. Simon,

Enclosed please find PacifiCorp's (U 901-E) August Renewables Portfolio Standard Compliance Report (Report). The Report contains confidential information; the confidential information is redacted from the public version of the Report. In your June 30, 2011 email, it was noted *"Provided that the CEC issues its Notice of Availability on or after June 30, 2011, RPS-obligated LSEs may file a single compliance report on August 1, 2011, that meets both the Verified and August reporting requirement."* The CEC issued its Notice of Availability on July 1, 2011. As such, this filing also meets the verified reporting requirement.

If you have any questions concerning the Report please contact Cathie Allen, Regulatory Manager, at (503) 813-5934.

Very truly yours,

Andrea L. Kelly
Vice President, Regulation
