**Due Date:** August 12, 2011

**Subject:** Calculation of the Capital, O&M and heat rate adders

Please provide the following information as it becomes available but no later than the due date. If you are unable to provide the information by this date, please provide a written or verbal explanation by August 10, 2011 as to why the response date cannot be met and your best estimate of when the information can be provided. Please electronically mail all responses that can be transmitted electronically. If attachments cannot be electronically transmitted, please notify myself ([wkeilani@semprautilities.com](mailto:wkeilani@semprautilities.com)) and Remedios Santos ([RPSantos@semprautilities.com](mailto:RPSantos@semprautilities.com)) of the Information Management department via e-mail or phone and arrangements will be made for the transmittal of said attachments.

**REQUEST:**

Please provide all data that was used and all calculations that were performed to calculate the capital, O&M and heat rate adders that Witness Monson provided in his testimony on pages 41-43. For all data in the response please provide specific sources used. Specifically, please provide the file used for the heat rate analysis. SDG&E was unable to access the reference in footnote 67 (<http://faculty.haas.berkeley.edu/wolfram/>).
