Subject: RE: R.10-05-006: Errata to ISO testimony

All,

As we discussed yesterday, the ISO has made some minor changes to the testimony served on July 1, 2011. I have attached a redlined errata showing the changes, and a clean copy that has been corrected with the changes. The clean copy will be provided for marking as an exhibit next week at the hearing.

Specifically, changes were made on the following pages:

Page 30- slide reference change

Page 38- Table 5, corrections to certain gas prices and hub locations

Page 43 and 44- changes to description of capacity needs in certain scenarios

Page 47- references to "California" changed to "WECC"

Slide 46 (attachment)- change in number of stakeholder responses

Thanks, Judi
