BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Continue Implementation and Administration of California Renewables Portfolio Standard Program. Rulemaking 11-05-005 (Filed May 5, 2011)

MOTION OF SAN DIEGO GAS & ELECTRIC COMPANY (U 902 E) FOR LEAVE TO FILE A PORTION OF WRITTEN EX PARTE COMMUNICATION UNDER SEAL

Pursuant to Rule 11.4 of Rules of Practice and Procedure of the California Public Utilities Commission (the "Commission") and Decision ("D.") 06-06-066, *et seq.*, San Diego Gas & Electric Company ("SDG&E") respectfully submits this motion for leave to file under seal certain information set forth in a written *ex parte* communication that occurred August 8, 2011. The *ex parte* communication is described in the *Notice of Ex Parte Communication* filed concurrently herewith.

In D.06-06-066, the Commission adopted rules governing confidentiality of certain categories of electric procurement data submitted to the Commission by investor owned utilities ("IOUs") and energy service providers ("ESPs"). The Commission established two matrices – one applicable to IOUs, the other to ESPs – setting forth categories and sub-categories of data and providing a confidentiality designation for each. To the extent information matches a Matrix category, it is entitled to the protection the Matrix provides for that category of information. In addition, the Commission has made clear that information must be protected where "it matches a Matrix category exactly . . . or consists of information from which that information may

^{1/} See, D.06-06-066, as amended by D.07-05-032, mimeo, Appendices 1 and 2.

be easily derived."^{2/} In order to claim the protection afforded by the relevant Matrix, the party seeking confidential treatment must establish:

- That the material it is submitting constitutes a particular type of 1) data listed in the Matrix.
- 2) Which category or categories in the Matrix the data correspond
- That it is complying with the limitations on confidentiality 3) specified in the Matrix for that type of data,
- 4) That the information is not already public, and
- 5) That the data cannot be aggregated, redacted, summarized, masked or otherwise protected in a way that allows partial disclosure. 3/

As directed by the Commission, SDG&E demonstrates in table form below that the instant confidentiality request satisfies the requirements of D.06-06-066:^{4/}

Accordingly, SDG&E moves this Commission for an order directing that the confidential information appearing the concurrently-filed August 8, 2011 *ex parte* presentation, which has been redacted in the public version, shall continue to remain under seal for a period of three years.
