Subject: RE: Pistahan Parade and Festival Volunteer Updates (Thank you)

Dear volunteers and supporters,

Thank you to all our volunteers and contributors who made it possible for PG&E to represent well in the 18th Annual Pistahan Parade and Festival in San Francisco this past weekend.

Special thanks to the parade team who helped do the following:

- hang up the PG&E and Samahan banners on our float and hang a working CFL lamp inside the house
- for all the energy to cheer others on Market St and engage with fellow parade participants (such as helping pass out PG&E LED light to parade participants and so forth)

Special thanks to our information booth team who helped with the following:

- inform customers about PG&E's energy savings tips, free services, and SmartMeter information
- distribute giveaways, like tote bags, pencils and led squeeze lights

Special thanks to [Redacted] and his workgroup at 2180 Harrison for helping us secure two trucks so we can tow our PG&E float and the Miss Asian America float for the parade.

Special thanks to [Redacted] of Community Relations and Tina Vanichsarn and Charmaine David of IW Group for sponsoring this year's Pistahan Parade and Festival so we may actively represent PG&E in the Filipino community.

Many thanks to all.

Regards,

[Redacted]
