Subject: 2010 LTPP Track I and III | Schedule Proposal
Importance: High

To All Parties of Record in R.10-05-006:

Based on ALJ's Allen recent email confirming hearings dates for both Track 1 and Track 3 remain set to begin on August 11, the proposed All-Party call on Monday, August 8th will now include a discussion on the exhibit list and cross-examination schedule for **both** Track I and Track III.

PG&E will prepare separate exhibit lists and cross-examination matrices for Track I and Track III and circulate by COB Friday, August 5th.

As previously stated, please save **Monday, August 8th** for an All-Party call, with a formal meeting invitation with location and dial-in information to follow later today.

Subject: 2010 LTPP Track III | Schedule Proposal

To All Parties of Record in R.10-05-006:

Understanding that there are ongoing discussions about arriving at some form of agreement for Track I, separately for Track III it would be useful to lay out some procedural steps necessary in advance of hearings beginning August 11th.

What we would like to propose is, given the August 4th due date for Track III testimony from parties, an All-Party call on **Monday, August 8th** (either in the morning or afternoon) to discuss the exhibit list and coordinate the schedule for cross-examination. In advance of this proposed All-Party call on August 8th,

PG&E proposes to have exhibit lists and cross-examination matrices circulated by COB Friday, August 5th.

Please save **Monday, August 8th** for an All-Party call, with a formal meeting invitation with location and dial-in information to follow.

Best,

Dan Patry
