Subject: R.10-05-006: Tracks I and III Exhibit List and Matrices -- Final Edits by 10:00 a.m. Wednesday

All:

Thanks everyone for the prompt responses on both the Exhibit List and the Tracks I and III Oral Reply and Cross-Examination Matrices. Attached are revised versions that include all of the edits and revisions that we received. Please review for any final, last minute edits or changes. One caveat, after asking for decimals for everyone for hours for the matrices, we realized this was unwieldy to work with and we converted everything to minutes. Please review your estimates to make sure we converted them properly. Please provide any last minute edits **by no later than 10:00 a.m. on Wednesday (8/10)**. We will be sending these to ALJ Allen soon after 10:00 a.m. so that he can review them before Thursday.

A few notes. So far, we have 344 minutes of oral reply testimony for Tracks I and III, which means we

should be able to complete this by Friday. It probably makes sense to start with Track I and then do Track III.

In terms of cross-examination, people have requested 1136 minutes of cross-examination for Track I. Assuming we can get 6 hours of hearing time a day, that represents approximately 19 hours or 3+ days on Track I issues. For Track III, there are 770 minutes scheduled (approximately 13 hours or 2+ days). My general experience is that cross-estimates are typically longer than actual cross-examination, so it looks like we should be able to complete cross-examination in Tracks I and III within a week.

Please provide Alice, Matt and me any edits to either document by no later than 10:00 a.m. tomorrow. After that time, it will be in final and we will send it to Judge Allen. After we finalize it, we will try to develop a schedule of witnesses for the specific days so that people can make travel plans.
