Subject: R.10-05-006: Tracks I and III -- Exhibit List and Matrices of Oral Reply and Cross-Examination

ALJ Allen:

Attached for your reference and in preparation for tomorrow's hearing are two documents: (1) an Exhibit List; and (2) Matrices of Oral Reply and Cross-Examination. These documents were jointly developed by the parties to assist with the hearing.

The Exhibit List includes all of the Exhibits from Track II that were admitted into the record as well as all of the testimony and other exhibits submitted by the parties for Tracks I and III. We have added a column to indicate the appropriate Track for each exhibit and made the numbering sequential starting with the Track II exhibits that have already been numbered and admitted.

The Matrices of Oral Reply and Cross-Examination is an Excel file that includes four tabs. Two tabs are for Tracks I and III oral reply and list the parties that have indicated they will have oral reply and the

estimated time for reply. The other two tabs are for estimates of Track I and III witness cross-examination. These estimates were submitted by the parties this week, but do not reflect estimates of cross-examination related to the oral replies.

Finally, PG&E and several other parties that plan to provide reply testimony have prepared written versions of their respective reply testimony. It may be easier to simply provide written copies of this reply testimony rather than reading it into the record orally. However, if you would like the reply testimony to be oral, witnesses will be available on Thursday and Friday to read the reply testimony into the record.

Thank you for your consideration and please feel free to contact me if you have any questions.

Charles Middlekauff
PG&E
