Subject: Home Area Network distribution list

All:

As promised, here is the list of individuals from our meeting last week on the HAN implementation plan. I have also included Chuck McParland and Mary Ann Piette from LBNL on this list.

As we discussed, I'm hoping that we can use this as a means to continue discussing and coordinating efforts around the HAN implementation plan Advice Letter filing, as well as discuss additional steps around ensuring a successful roll-out and launch of the HAN for customers.

I'd like to thank everyone who attended the meeting the last week for your attendance at the meeting and for the discussion. I know I found it very informative and useful and I look forward to our continued cooperation on this topic.

I would like to encourage everyone to use this list if there are any questions of each other or of commission Staff on this issue. Thank you all again!!!!

Chris
