Subject: Workshop List and Contact Info

Allen,

Thanks again for taking the time to discuss the workshop details with Jennifer and myself. We'll have our folks fully engaged in the meeting. In addition, we'll be working with Sunil for the Natural Gas System presentation, provide a 10-minute presentation on Emergency Plans and Training, and be available for questions during the Emergency Response Technical Panel.

As we discussed (and now that you have our emails), will you send us the meeting invite list you were mentioning?

And if you have any future questions, feel free to contact Jennifer or myself per our information below.
