Thanks Tim. We can wait until Tuesday to find out. I understand the frustration. There isn't anyone around here either !

Brian,

None of the key support staff is at work today, so I cannot check on availability of rooms and court reporters. I'll try again on Tuesday, but we will certainly have a PHC in the third week of September.

Sorry Tim. I know your schedule is very busy and appreciate anything you can do to get this moving.

Hi,

Thanks for the note.

I didn't realize that it was filed on July 18 (I had thought August). I just received the hardcopy in the mail. I was working on other things (Smart Grid Deployment plan and metrics) and didn't plan to get to it until next week, I will set something up tomorrow for mid September. I have several PHC's already:

Sept 7 and Sept 16, and I'll squeeze in another.

I fear I have too many cases and am starting to feel crushed.

Tim

Tim - are we going to see a schedule or a PHC any time in the near future ? Just checking. Thx.
